MHRB to hold community listening sessions in Warren, Clinton Counties

MASON, OHIO, January 12, 2022 – Mental Health Recovery Board Serving Warren & Clinton Counties (MHRBWCC) has scheduled in-person community forums to hear from community residents about mental health and addiction services and what they see as needs the board might address in the future.

Clinton County residents are invited to attend a session on Monday, January 24th at The Loft on Main, 64 W. Main St., Wilmington, from 5:30 to 6:30 PM.

Warren County residents can attend a session on Monday, January 31st at the Warren County Administration Building, Commissioners Meeting Room, 406 Justice Dr., Lebanon, from 5:30 to 6:30 PM.

“It’s important for us to not just offer information and education to residents,” said Colleen Chamberlain, executive director at MHRBWCC. “We also need to learn from the people we serve about issues and needs they may see in the community so that we can better address them as we plan for future services and programs.”

An online session is tentatively scheduled for Tuesday, February 1, 2022. Details will be posted on the board website at mhrbwcc.org.
