

# Warren County Suicide Prevention Coalition

*A little bit about us!*

## OUR VISION:

*A connected, stigma-free community with zero suicides where everyone has access to support, hope, and resources-- because one loss is too many.*

## OUR MISSION:

*We are dedicated to preventing suicide by fostering community collaboration, reducing stigma, raising awareness, and promoting hope through education, advocacy, and evidence-based strategies.*

## OUR PURPOSE:

- *Reduce suicide deaths and attempts in Warren County*
- *Adopt evidence-based plans for suicide prevention in our local community*
- *Serve as champions, stakeholders, resources, and subject matter experts for best practice suicide prevention*
- *Support the implementation and creation of other local, regional, and state plans around suicide prevention efforts.*

**Want to get involved?**  
*we want your input!*
