

An Innovative Approach to Getting the Best Out of Students

Beyond The Classroom™ from Beech Acres Parenting Center is designed to streamline the engagement to a single point of contact making it easier for parents to find the right help needed for their student. Through tight integration and coordination of services, our staff can help your student focus on their academic performance, improve their social and emotional learning, and partner with teachers and administrators to reduce disciplinary actions. Services provided through Beyond The Classroom™ include Therapy, Behavioral Health Support, Family Peer Support, Family Engagement, and Med-Som services.
