Purpose

- Explain Role of MHRBWCC
- Provide an overview of ever-expanding services funded by MHRB
- Provide resources which can assist schools further explore and link to the services available

Role of MHRB

Mission Statement

The mental health and recovery services system supports communities in Clinton and Warren Counties to respond to behavioral health issues through prevention, intervention, treatment, rehabilitation, and asset building services. Our mission is sharing hope and caring to achieve recovery from mental illness, alcoholism, and drug addiction. Our expectations for recovery including the acquisition of meaningful roles, sobriety, healthy relationships with friends and family, and a joyful life.

Overarching Statement

People of Warren and Clinton Counties who have, are at risk of, or who have been touched by mental, emotional, behavioral, and addiction disorders will lead healthy lives and achieve their full potential in a supportive community while optimizing the use of available resources.

Strategic Goal

Ensure a forward thinking, community-focused culture to establish MHRB as a recognized leader in Behavioral Healthcare.

Role of MHRB

Ohio Revised Code Chapter 340 outlines our Role, specifically to:

- Plan behavioral health services in catchment area
- Fund these services
- Monitor and evaluate these services

Service Populations and Benefit Rules

Prevention Services

Service Population:

Any Warren/Clinton Resident

Benefit Rule:

There is no charge to any Warren or Clinton County school, agency, entity or individual participant for this service. MHRB provides funding to contract agencies for the provision of these FREE services to the Warren and Clinton County community.

Service Populations and Benefit Rules

Crisis Services

Service Population:

Any individual in Warren or Clinton Counties is eligible for crisis services.

Service Array:

- Crisis Hotline
- Mobile Response and Stabilization Service (MRSS)
- Pre-Screening for Psychiatric Hospitalization/Mobile Crisis
- Quick Response Teams (QRT) after Overdoses
- School Crisis services

Benefit Rule:

There is no charge for calling the crisis hotline. There is no out-of-pocket charge for MRSS or a Pre-Screening for a psychiatric hospitalization, however Medicaid or private insurance may be billed. When deployed after an incident, School Crisis Services are provided at no charge to schools/students.

Service Populations and Benefit Rules

Mental Health Outpatient Services

Service Population:

- Children exhibiting behavioral evidence of mental health issues and their families.
- Adolescent age youth exhibiting mental health disturbances, or those at high risk of substance abuse/dependency and/or mental health disturbances as indicated by familial, vocational, medical difficulties, juvenile court involvement or school disciplinary actions.
- Adults exhibiting mental health issues as indicated by familial, vocational or medical difficulties, judicial or law enforcement involvement.

Service Populations and Benefit Rules

Mental Health Outpatient Services Cont.

Billing Order & Benefit Rule:

1. Private Insurance: Insurance covers for most clinical services.
2. Medicaid: Medicaid pays for clinical services (treatment).
3. MHRB Subsidy for Warren and Clinton County Residents (through the support of the local levy, state and federal funds) is based upon a Sliding Fee Scale.
4. Responsible Party: Any amount not covered under the above will be billed to the responsible party.

Service Populations and Benefit Rules

Seriously Emotionally Disturbed (SED) Youth Services

Service Population (accordance Ohio Administrative Code 5122-24-01):

- Under eighteen years of age; *MHRB Exception*: Service has been extended to Youth aged 18-21
- Marked to severe emotional/behavioral impairment (defined as lack of self-care activities, suicidal preoccupation, school refusal, obsessive rituals, frequent anxiety attacks, aggressive behavior, severe depression/psychosis)
- Impairment that seriously disrupts family or interpersonal relationships (defined as involvement of police, courts, or other systems; inability to participate in age-appropriate activities, community is unable to tolerate behavior; or behavior is life-threatening)
- May require the services of other youth-serving systems (e.g., education, human services, juvenile court, health, mental health/mental retardation, youth services, and others).

Service Populations and Benefit Rules

Seriously Emotionally Disturbed (SED) Youth Services Cont.

Billing Order & Benefit Rule:

1. Private Insurance: Insurance covers for most clinical services.
2. Medicaid: Medicaid pays for clinical services (treatment) up to a cap established by the State of Ohio
3. MHRB Subsidy for Warren and Clinton County Residents (through the support of the local levy, state and federal funds): MHRB provides a subsidy, regardless of family income, which covers the balance of any clinical outpatient service plus contracted services which are not typically covered by private insurance, such as consultation and case management services. Thus, there is no out-of-pocket cost for SED outpatient services.

Service Populations and Benefit Rules

Outpatient Addiction Services including Alcohol & Other Drugs and Gambling Treatment

Service Population:

- Adults or adolescents with a primary diagnosis of a substance use disorder (SUD) and their families
- Individuals with a primary or secondary diagnosis related to problem gambling
- Individuals with co-occurring (SUD and MH) disorders

Billing Order & Benefit Rule:

Same as Mental Health Outpatient Services (see above)

Sliding Fee Scale (SFS)

- Sliding Fee Eligibility Calculation completed by MHRB Contract Providers based upon SFS developed by MHRB (based upon Federal Poverty Guidelines)
- SFS Chart available upon request

Sliding Fee Scale (SFS) - cont.

For those individuals who have a household income at or below 250% of the Federal Poverty Line (FPL), 100% subsidy is available, meaning they are eligible for services with no out of pocket expenses. For those who are from 251%-400% FPL, graduated subsidy levels are provided. This subsidy will be applied towards:

- Any private insurance co-pays or deductibles.
- Any clinical service which is not covered by Private Insurance or Medicaid if deemed medically necessary.
- Any MHRB contracted non-clinical service which is not covered by Private Insurance or Medicaid.
- For a client who does not have any medical coverage, MHRB can be billed for clinical services as long as deemed medically necessary. The expectation is that the individual will secure insurance coverage within 180 days. The provider agency will assist family in securing this coverage.

Sliding Fee Scale (SFS) – cont.

- Examples:
 - Family of 2:
 - income of \$43,080 or less – no out of pocket cost to family
 - income of \$69,000 or more – no subsidy available
 - Family of 4:
 - income of \$65,400 or less – no out of pocket cost to family
 - income of \$105,000 or more – no subsidy available

Other MHRB Initiatives

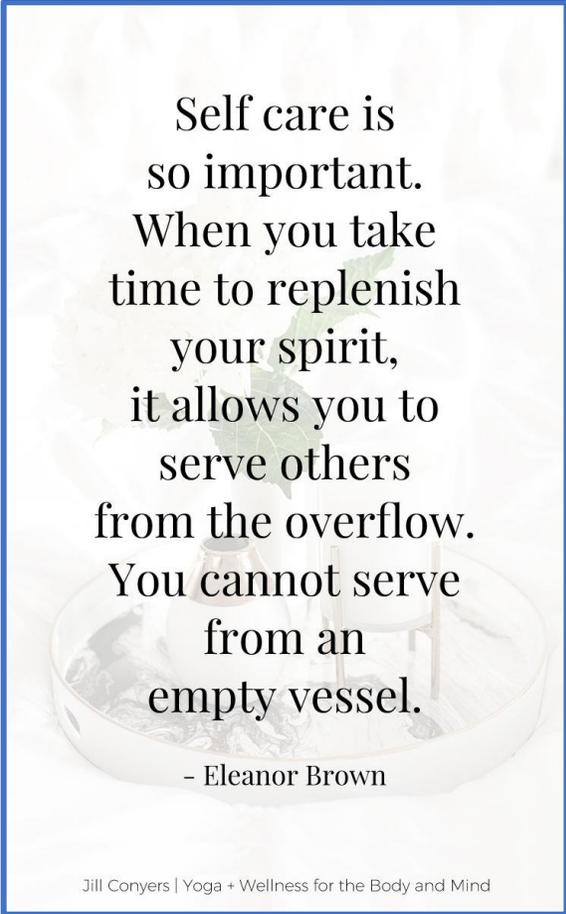

- Supported Education Counselor @ Sinclair College – Mason
- MHRB/Board of DDs Collaborative – Care Manager provided by Envision Ohio
- Trauma Informed Care Learning Collaborative
- Speaker's Bureau

Moving forward

- On-Demand Videos from our Contract Providers explaining services
- Brochures/Materials posted on our website
- Listening Session with Guidance Counselors
- Scheduled Virtual Group Consultations
- MHRB always available to answer questions, problem-solve, provide information/referral

Self care is
so important.
When you take
time to replenish
your spirit,
it allows you to
serve others
from the overflow.
You cannot serve
from an
empty vessel.

- Eleanor Brown
