Parent ConnexT™ meets parents where they are at by placing Parenting Specialists onsite at Pediatric Care Practices. Parent ConnexT™ provides prompt, practical support through onsite parenting specialists that provide guidance for a variety of parenting challenges and links to community resources. This helps build parents’ capacity

to provide a safe & nurturing environment for their children. Parents are connected with parenting specialists through a referral from their pediatrician or by contacting the Parenting Specialists directly. Find a Parenting Specialist at Group Health Associates Mason and Landen Lake Pediatrics.

PARENT COACHING

For parents who want to dig a little deeper on a specific topic facing their families, Parent Coaching could be a perfect fit. Parent Coaching provides parents with solutions to daily challenges and provides tools to help them build and strengthen their relationship with their children. Parents can work with a Parent Coach as often as necessary to meet their family’s needs.
