

## Suicide Prevention Coalition of Warren and Clinton Counties

June, 2012

### Library Book Donations

Through a generous grant from the Ohio Suicide Prevention Foundation, our local coalition was able to purchase several books for donation to Warren and Clinton County libraries. All books were “recommended” by the American Association of Suicidology or by Fernside Center (agency focused on supporting children and families through grief). The following is a list of the books donated and the receiving libraries:
